Silay City Water District Gender and Development

March 2016

2016 National Women's Month Celebration

The Silay City Water District joins the nation in celebrating 2016 NATIONAL WOMEN'S MONTH in March. This year's theme is "Kapakanan ni Juana, Isama sa Agenda" (Include Women in the Agenda) which has been identified by the Philippine Commission on Women (PCW) that resonates the calls for both public and private sector to observe gender-balance in leadership and decision making positions; include women's concerns in leadership platforms and the government's development agenda; and capacitate and prepare women and girls to reach their ambitions.

On March 12, 2016 SICIWA Personnel attended the Forum regarding awareness on the theme of this year's celebration and gender equality in nation building at the May's Garden and Restaurant, Brgy. Pahanocoy Bacolod City. The Resource Person of the said forum is Atty. Andrea Lizares Si, the Chairperson of the Provincial Council for Women- Negros Occidental.

As part of the activities organized by the water district, on March 16, 2016, in support to the Philippine Commission for Women (PCW) program, we conducted in our office a survey using the Agenda ni Juana Ballot Form downloaded from the PCW website to our 117 women concessionaries paying their waterbills of which items included in the list are explained to respondents before voting and they are given fan with printed 2016 NWMC and agency name. The Tally Sheet of the result of the survey was transmitted to the Philippine Commission for Women.
