Silay City Water District Gender and Development

November 2016

GFPS YEAR-END ASSESSMENT AND PLANNING

Last November 11, 2016, the Silay City Water District GAD Focal Point System hold a one-day Gender and Development Assessment and Planning at the SICIWA Conference Room.

The primary objective of the activity is to present the accomplishments of 2016 GAD Programs, Projects and Activities (PAPS) and Planning for the CY 2017 and CY 2018 GAD Plan and Budget following the parameters set under PCW MC Nos. 2015-03 and 2016-05 and PCW NEDA-DBM Joint Circular 2012-01 and are aligned with the water district's mandates.
