Silay City Water District Gender and Development

November 2016

## 2016 18 DAY CAMPAIGN TO END VAW

The Silay City Water District supports the Philippine Commission (PCW) in the annual observance of the 18-day Campaign to end Violence Against Women (VAW) from November 25 to December 12, 2016. This year's theme is "VAW-free community starts with Me" which gives emphasis on everyone's commitment and contributions in ending VAW, and our col-

laborative pursuit of our common vision of a VAW-free community.

On November 25, 2016, the Members of the Board of Directors, management and employees joined in the Caravan organized by the Department of Social Welfare Development (DSWD) and the local government of Silay which went around the city, starting from the Town Plaza and culminating at the Hall of Barangay IV in Antilla, Silay

City. A program was held with some city officials including Hon. Mayor Mark Arthur Andrew J. Golez giving messages. The Chair of the Board Carmen A. Flor and Director Amelia Yusay were also there together with other Soroptomist International of Silay members who also joined in. The SICIWA family came in full force to show their full support on this cause.
